# Happy St. Patrick's Day!

Residents flocked to the lobby on March 17th, to celebrate the holiday with a special treat. We all enjoyed Irish potatoes and warm hot chocolate with a dash of Bailey's Irish Cream, and toasted to the start of a happy, healthy spring season. A big thank you to Trudy B., for sharing her musical talents as we sang along to popular Irish tunes.

# Director's Corner

Spring is in the air! I love the longer days and the promise of warmer weather ahead. It gives me more energy and allows me to get outside to do the things I love. I hope this is true for you as well. A nice walk in the park (especially since we have one right next to The Manor) is a great way to start

or end the day. A trip to Peddler's Village, Bowman's Tower or one of the local museums is another great way to spend some time outdoors.

If the weather doesn't cooperate, or your allergies don't allow much outdoor activity, join a card or board game in our new Game Room Lounge on the second floor, or a movie in our new Theater. There's so much to do, so be sure to check The Manor calendar to find something fun to fill your day. Best of all, there's no need to rush to get back in time for lunch. While the dining room serves lunch from 12 – 2pm, you can now also enjoy a meal in the club room from 2 – 4pm daily. This makes it even easier for the busiest of residents to never miss a meal.

I wish you a happy Easter or Passover, and hope you get to enjoy the holidays with family and friends.

Wendy Petro  
Executive Director, The Manor at York Town
