# Anything Goes at The Manor!

Residents took advantage of our *Anything Goes Happy Hour*, by wearing whatever they wanted! Some wore an outfit they never wear, others wore a fancy dress, mismatched clothing – whatever! We answered fashion trivia and shared a lot of compliments and laughs!

# Director's Corner

October was another busy month. From the election of our new Resident Board members (Congratulations to all of you!), to the Pumpkin Decorating contest, to the "Anything Goes" happy hour and the fabulous

Halloween party, things were definitely happening at The Manor! It's great to see so much activity and so many smiles. Along with all of the fun, we've also seen the wonderful transformation of our first floor hallways during our renovation project. The walls are painted, the carpet is being installed, and it is all coming together nicely. The artwork and furniture have been ordered and will be delivered early in the New Year.

I would like to announce the promotion of one of our staff members, Sharon Schmidt. Sharon was recently promoted to *Lead Housekeeper*. In addition to her regular housekeeping duties, Sharon will be responsible for assigning daily tasks to the housekeeping team; tracking product inventory; finalizing the resident monthly housekeeping schedule; and meeting with new residents when they move in to explain our housekeeping services. Please join me in congratulating Sharon on a job well deserved!

November is a time to give thanks, and I would like to thank all of The Manor residents and staff as well as Liberty Lutheran for another wonderful year. I've been working here for over 22 years, and each year gets better than the last. I look forward to sharing many more fun-filled, fabulous years with all of you.

# Crafty Staff and Residents

Fifteen residents and staff displayed their colorful, imaginative, and creative pumpkins for the annual contest. Some were carved, others were painted, but all of them had their own, unique personalities. Thank you to all of the designers for showing off their creations, and thanks to the rest of the community for voting for their favorites!

## Farmers Market at The Manor

You will be able to pick your favorite seasonal fruits and vegetables for FREE. There is no need to bring your own bag, there will be free tote bags for everyone. Looking forward to seeing you there!

# Halloween Magic

We celebrated Halloween with a mesmerizing and fun performance. Renowned local magician and mentalist, Steve Vogel, read our minds and made us laugh as he revealed answers and made us wonder, "How did he do that?!" We also voted for our favorite pumpkins and enjoyed seeing our fellow residents dressed for Halloween. Congratulations Marlene B. & Hank D. for winning the pumpkin contest!

# Wii Bowling Tournament

The Manor Wii Bowling team headed to the Paul's Run community last month to challenge their team to a rematch. Congratulations to Henry V. and Evelyn S., for getting the most strikes during the game. However, the Manor team came up just 2 pins short of winning the tournament. We'll get 'em next time!

# Global Warming Presentation

Residents came out to hear a presentation by local scientist, Dr. Severly. He provided a broad overview and discussed trends in our climate over time.

## The Holidays are just around the corner!
