# Staff vs Residents Tournament

Who doesn't love a little competition amongst friends? During the week-long tournament, the staff gave it their all, but in the end, the residents triumphed to win the Gold Medal! Regardless of the scores, the staff, residents and spectators had a great time cheering (and jeering) for the teams. Congratulations to the residents and a big thank you to the staff for joining the fun!

# Director's Corner

Last month we reached 100% occupancy at The Manor at York Town! I would like to thank Courtney, The Manor team, and all of our residents for being such gracious and friendly hosts. You all did such a wonderful job show-

ing prospective residents what it's like to live at The Manor that we are completely full (which is a wonderful problem to have)! While I thank you all for your efforts, the work doesn't end here... we are growing our *Future Resident Club* and will need your help now more than ever.

Since we no longer have unoccupied, model apartments, we will be asking residents for permission to show their apartments when we schedule visits and host events. Your apartments are beautiful and I enjoy showing them off; but more importantly, prospects love seeing apartments that people actually live in, rather than staged models. I thank you in advance for allowing us into your lovely homes.

On Sept. 8th, we will *Sail into September* with a fabulous party for residents and prospects featuring music by Billy & Miles, wine by Chaddsford Winery, and delicious hors d'oeuvres by our wonderful dining team. In October we will celebrate all of our new residents with a wine & cheese happy hour on 10/13. Please be sure to mark your calendars so you can attend these wonderful celebrations.

As you know, we have been finalizing the details of our first floor corridor project. Paint colors have been chosen, and the carpet has been ordered. We are currently working with our decorator to choose furniture, artwork and accessories. Painting is planned to begin this month. As long as the production schedule doesn't change, the carpet should be installed in late October/November. I can't wait to see the transformation! These are exciting times at The Manor and I am so happy we are enjoying them together.

*Have a safe and wonderful Labor Day holiday!*

# Elegance and Grandeur at The Manor

*Review submitted by Gerry, and all of the Chef's Table attendees*

I am going to start by telling you if we had a dinner in Paris at a very highly recommended restaurant, our dinner on August 2 was as good or BETTER!

The table was set beautifully, complete with flowers and creative napkin displays. A roll was served with herb-infused olive oil or butter.

We started with gazpacho served in a stemmed glass with delicious fresh crabmeat on top and shrimp perched on the side. It was chilled and went down so smoothly. Salad was the next course; heirloom sliced tomato, fresh mozzarella and grilled artichokes. The champagne vinaigrette was perfect and the salad was not overdressed.

The entree, Lobster Thermidor, appeared in a light and fluffy puff pastry, perfectly done with lots of lobster and fresh asparagus in a tasty sauce.

The chocolate molten lava cake dessert speaks for itself.

Chef Mark joined us and explained the origins of the dishes we were enjoying. Steve, Amy and Morgan were all so attentive.

*Thank you Chef Mark, it was truly a meal to remember.*

## TED Talks

Who is TED and why is he always talking? Ted is not a person, but a nonprofit organization devoted to spreading ideas, in the form of short, powerful talks by noted professors, scholars and professionals. These short videos focus on almost all topics — from science to business to global issues. Every month, Manor residents convene to watch a video and see where the conversation takes us. All are invited to hear what TED is talking about next! Tuesday, Sept 20 topic: *A future beyond traffic gridlock.*

# Scarecrow Time

Our creative juices are flowing once again! Over the past few weeks, staff and residents have come together to design our scarecrow for the Peddlers Village Festival. This year, the residents creatively designed their “Marilyn MonCrow” themed scarecrow. The *Peddlers Village Scarecrow Festival* will be held Sept through October, and our van will take interested residents to the festival on Wed, Sept 21. Sign up at the concierge desk if you would like to come along.
