# Potluck Brunch

Residents enjoyed a delightful brunch last month. Attendees showed off their culinary talents as they brought dishes ranging from breads, spreads, & salads to full entrees and delectable desserts. A big thank you to the Resident Association Potluck Brunch committee for organizing this enjoyable event, and to all of the residents who shared their delicious treats with their neighbors. Bon Appetit!

# Director's Corner

Lots of exciting things are happening around The Manor! The hallways on the first floor are painted, and carpet installation will begin on February 6th. The new quartz top for the Club Room bar has been ordered.

We expect installation of the quartz top, as well as the new carpeting to occur in late February/early March. We also completed the wiring for the new Connected Living display TV by the front elevator. We have been busy inputting data into the system so we can roll it out on the 20th! Many exciting improvements to come!

Connected Living is going to be our new method of communicating with all of you. It will have a wealth of information that will be available right at your fingertips. Be sure to check your calendar and sign up for one of our small group Connected Living training sessions this month. During the session, you will receive your iPad and password, along with some basic training on how to navigate the Connected Living app. It is so user friendly, I am sure you are all going to love it!

This month, we will also welcome PS Salon & Spa to The Manor. *Join them for a Meet & Greet during the February 23rd 4pm Happy Hour in the Great Room.* Meet the stylist, learn about the services they will be providing, and enter to win raffle prizes. They will officially open as The Manor salon operator on March 1st.

Happy Valentine's Day!

# Food Collection Drive

The Manor collected a variety of greatly needed items for the Bucks County Food Pantry in Doylestown. On Martin Luther King Day, staff and residents worked together to sort and group all collected items for the pantry. We collected an impressive number of donations including cans of soup, cereals, pasta sauces, toothbrushes, and a large variety of other food and hygiene products totaling close to 200 lbs. A big thank you to everyone who contributed to the drive. The recipients and the *Bucks County Housing Group* truly appreciate your kindness and generosity.

## Connected Living is Coming Soon!

The new communication tool, Connected Living, is coming to The Manor. With this new system, you can view event calendars, newsletters, resident directories, menus, and community announcements - anytime, anywhere. The system is easy to read and easy to use. Several resident training sessions will be held in the coming weeks, so you can all become familiar and comfortable with this new, easy-to-use technology. Stay tuned for more info on this exciting new information program.

# Line Dancing Fun

Staff and residents learned the Cupid Shuffle dance last month. A large group moved their feet in unison, as we all shuffled to the beat of this catchy song. We plan to continue dancing through the month. You're all invited to come by on Friday afternoons to see which dance we'll learn next.

# New Fitness Class for 2023!

Fitness Director John has begun his new class in January, geared towards those looking for a slower-paced, low impact class. Residents who may have low muscle tone, mobility concerns, or just need a more mild class, are encouraged to attend. You can join this class on a temporary basis during a recovery period, or as a long term strengthening routine. All are welcome to get fit with John at his new Functional Fitness Class on Wednesdays and Fridays at the new time - 11am!

# Therapy Options for You

Physical therapist, Joe Nemcik, of Powerback Rehab visited our community to promote healthy lifestyles, the benefits of in-home PT, OT and Speech Therapy, and answered questions from the audience. If you have any additional questions or want to schedule a visit with a therapist, brochures and contact information can be found in the Community Life office.

# Holiday Gift Presentation and Hoagie Lunch

Resident Association President Ed, Executive Director Wendy, and Luanne Fisher, President and CEO of Liberty Lutheran, presented holiday gifts to current Manor employees. Each recipient was called to the front of the room, to accept their gifts. Several employees were also recognized for their numerous Fish Cards, in which they were “caught” performing above and beyond their duties. Congratulations to the employees who received the most Fish Cards: Housekeeper Sharon, Dining Director Steve, and Concierge Luanne. Additionally, several employees were recognized for 5 & 10 years of service to The Manor. After the presentation, all attendees mingled and enjoyed delicious hoagies generously provided by the Residents’ Association. We also browsed through jewelry, benefitting the Liberty Lutheran Disaster Relief Fund, and creatively crafted by Sharon. **On behalf of all Manor staff, a heartfelt thank you to all of the residents who contributed to the employee appreciation fund and submitted Fish Cards. Our team greatly enjoys working together, and providing quality service to every Manor resident.**

## Computer Help is Back!

Knowledgeable and friendly high school student, Aidan, will be here each Tuesday at 4:00pm to help residents with their computer, tablet or phone questions. While he may not be able to fix every issue, he will certainly use his vast knowledge to address your technology questions. Sign up at the concierge desk to secure your time with Aidan.

# Upcoming Weekend Movies

Please check the activity calendar for specific viewing dates. Please note: We will show the below films on **Saturday at 7:45pm, and Sunday at 2pm and 7:45pm**. Therefore, you have several options to view these popular Classic or New Release movies. You are also free to watch these or other movies anytime The Manor Theater is available.
