## The Roaring Twenties

Residents were transported back in time to the Great Gatsby era. They experienced the Roaring 20s with professional performer and "society gal" Alisa Dupuy. Some residents dressed up for the event, and a few danced the Charleston!

# Director's Corner

Spring is a time for new beginnings and that is true at The Manor. Last month we completed the first phase of our first floor corridor project. Combined with the new carpet and freshly painted

walls, the new furniture, artwork, and accessories have enhanced the hallways with an elegant, sophisticated appearance. I've heard so many positive comments about our new decor, including, "It feels like a luxurious art gallery as you walk down the halls." We will finish the first floor and move onto the second floor this summer, starting with new paint and carpet. It is so exciting to see all of the wonderful changes!

Speaking of new beginnings, late in April, we welcomed Carole B. to The Manor, and later this month Anthony I. will join us as well. Please be sure to introduce yourselves, and help them as they acclimate to the community and their new home. I'm sure they will enjoy meeting all of you and learning about all of the fun activities and amenities offered to them as residents.

May 29th we will kick off the summer season with a Memorial Day barbeque followed by activities planned by our resident Events Committee. Be sure to look for more details to come.

*Enjoy the beautiful weather and have a wonderful month!*
