New Years Fun!

The Resident Events Committee organized another fun event to ring in the new year. A large group of residents enjoyed wine, butlered hors d'oeuvres, and a white elephant gift exchange. Some folks dressed up and took beautiful photos by the Christmas Tree. We look forward to the next party with the Events Committee!

Director's Corner

It's February, and I sure hope Punxsutawney Phil doesn't see his shadow on Groundhog's Day. The snow looks pretty, but I've had enough of the cold winter weather. Thank you to Bill and Bryan for doing a great job keeping the community safe during the multiple snow and ice storms last month! Here's hoping the worst is over, and we'll see an early spring. Be sure to join us for the Leap Year Luau Happy Hour on the 29th to keep the warm thoughts coming!

The painters have been busy painting the second floor hallways and will move on to the third floor when they are finished. This will be followed by new hallway carpet installation in mid-February. I will let you know the exact timing as soon as the installation schedule is finalized. Later this month, or early next month, we will also be refreshing the salon with new paint and flooring. I can't wait to see all of these beautifully transformed areas as they are completed.

We welcomed several wonderful new residents over the past few months, and continue to grow our Future Residents Club (FRC). Later this month, we will host a mid-week Winter Brunch Buffet with members of our FRC so they can continue to get to know the community and all of you. A flyer will be posted soon with all of the details, so be sure to make your reservations.

Wishing you all a happy Valentine's Day filled with love, joy, and happiness!
