Happy St. Patrick's Day!

Residents flocked to the lobby last month to celebrate the holiday with a special treat. We all enjoyed Irish potatoes and warm hot chocolate with a dash of Bailey's Irish Cream, and toasted to the start of a happy, healthy spring season. A big thank you to Trudy B., Peter C. and Jerry B., for sharing their musical talents as we sang along to popular Irish tunes.

Director's Corner

Spring is here, and with the warmer weather upon us, we will be restarting our outdoor activities. Be sure to check your calendar for shuffleboard, bocce, outdoor happy hour and other

fresh-air activities. Our outdoor walking group will also be gathering in the courtyard every Tuesday and Thursday at 8:45am. Join them for some cardio and conversation as they head to the park next door! Don't be surprised if you pass a few Manor employees taking advantage of the paths in park as well. Annually, Liberty Lutheran offers an employee walking challenge which begins on April 1st this year. Cheer on the staff as they try to get their steps in, to improve their health and possibly win the challenge!

Last month we received the results of our employee engagement survey that we conducted in December. Liberty surveys their employees every two years to provide feedback on what we are doing right, and where we can improve as an employer. Knowing what a wonderful team we have at The Manor, I was anxious to see the survey results. I am happy to report that we received some of the highest scores for employee engagement across Liberty! That doesn't mean we won't work on making things even better, but it gives us a good place to start. The Manor truly is a great place to work and live!

Enjoy the nice weather and your time with family and friends. Have a happy Easter or Passover!

Welcome to Our New Resident

Carol Ann moved into The Manor early last month. She comes to us from nearby Ivyland, where she lived for close to 25 years. Prior to Ivyland, she lived and raised her family in Holland, PA. Carol Ann grew up in Bensalem, and attended St. Hubert's High School. She then continued her education at Bucks County Community College and received her degree in Business Administration. She spent the majority of her career working for Northampton Township before retiring. She has four sons and 10 grandchildren. As for hobbies, Carol Ann enjoys reading non-fiction, historical books, playing cards and board games, and going to the theater. She is super excited to have moved into the community and she enthusiastically exclaims, "I thought I died and went to Heaven!" whenever anyone asks about her experience at The Manor so far. We're so happy Carol Ann is enjoying her time with us.

Welcome to The Manor's version of heaven, Carol Ann!
