A Mexican Fiesta in Jamison

Residents mingled with Future Residents Club members at our Cinco de Mayo Happy Hour last month. They enjoyed margaritas and Mexican themed foods. But the big showstopper was the man of the hour, Fred P, who celebrated his 102nd birthday with us, and Action news!

Director's Corner

This month, The Manor at York Town celebrates its 23rd Anniversary as Bucks County's premier retirement community! I am proud to say I have been a part of the community since we opened in 2001, and that I share that longevity with our first Manor resident, Mary M! We can't wait to celebrate this milestone with all of our residents and Future Resident Club (FRC) members on June 10th at our 23rd Anniversary Casino Party. Join us for a fun-filled evening of games, music, wine and cake!

I'd also like to celebrate the newly refreshed hallways. This project took some time and hard work to complete, but the finished product was even better than we expected! The new furniture, artwork and accessories complement the new carpet and paint, and make the hallways warm, interesting, and welcoming. It is so nice to hear residents and guests complimenting the new décor and picking out their favorite pieces of art.

Lastly, I would like to welcome all of our new residents who joined us over the past year! We held a special happy hour in your honor last month and enjoyed learning more about each of you. Because all of you were members of our Future Resident Club, and we've had the pleasure of getting to know you through our special FRC events, it felt like we were welcoming old friends. I hope you are enjoying your new home at The Manor, and we look forward to many wonderful years ahead!

Have a terrific month and a Happy Father's Day!
