Cruise INTO FALL

Marketing guests and residents enjoyed a fabulous evening of upscale hors d'oeuvres, fine wine, and lively entertainment during our annual fall marketing event. Residents and marketing guests danced and sang along to the sounds of the Where's Pete Band. This event is one of our favorites each year, and we were blessed with beautiful weather, good food, fun, and friends. What a fantastic way to start the season!

DIRECTOR'S CORNER

October is here, and fall is a wonderful time of year to enjoy an outdoor walk, the cool crisp air, and the beautiful changing leaves. It is also a great time to think back over the past year and reflect on what you enjoy most about living at The Manor.

Last month, we electronically distributed our Resident Satisfaction Surveys. Liberty conducts these surveys across all of their communities every two years. We take your feedback very seriously, and look forward to receiving the tallied results in December. In order to make sure everyone has time to complete the survey, we have extended the survey deadline to October 15th.

While the survey will definitely provide feedback on all areas of the community, I would like to thank several residents who recently sent me notes about the wonderful Manor staff and the excellent job they do. These notes mean the world to me and my team! I know how hard everyone works to meet or exceed our residents' expectations, so getting this feedback as well as FISH cards, is a true testament to the great job they do on a daily basis. Thank you Manor Team!

This month, we will host our Future Resident Club members at a special dinner on October 9th. Please be sure to welcome your future neighbors back to our wonderful community, as they sample the delicious food and dining experience you enjoy each night!

Then, on October 31st, we will celebrate the season with a Halloween Happy Hour. Answer Halloween trivia questions and vote on your favorite costumes and decorated pumpkins! Prizes will be awarded to winners of both contests!

Have a wonderful month, and a safe and spooktacular Halloween!

It will be on display through the month of October. **Be sure to vote for our Scarecrow (#4 in the CareCrow category), if you visit the festival.**

COMMUNITY SERVICE THROUGH LIBERTY

Lutheran Disaster Response – Eastern PA, a program of Liberty Lutheran, helps meet long term disaster related needs of households that face the greatest barriers to recovery. Some of these barriers include:

- Insufficient resources to make necessary repairs for heating systems, damaged drywall, and insulation.
- No access to the internet.
- Lacking a family support network.
- Cognitive impairments.

We are currently serving communities in six counties in eastern Pennsylvania, including the Pennview Mobile Home Park in Berks County. Pennview residents were hit by heavy storms in July 2023. Rains overwhelmed the Antietam Creek and sent several feet of water through the trailer park. The insulation beneath the trailers as well as the skirting around the bottom were ruined. Many of the insurance policies that residents carried did not cover these repairs. Therefore, LDR and our partners are working with donated funding and volunteer labor to replace insulation and skirting, one trailer at a time.

Lutheran Disaster Response – Eastern PA, is a proud member of the Liberty Lutheran family of services. If you are interested in volunteering, donating, or learning more, please visit: <https://www.libertylutheran.org/disaster-recovery-philadelphia-pa>
