

News from THE MANOR

HAPPY St. Patrick's DAY

In celebration of St. Patty's Day, residents enjoyed Bailey's and hot chocolate and a performance by talented dancers from the *Aisling Mor Academy of Irish Dance*. We were all mesmerized as they gracefully moved their feet to the music in unison.

DIRECTOR'S CORNER

It feels like Spring is finally here to stay, and that means we will begin our outdoor activities. The residents will enjoy shuffleboard, bocce, outdoor happy hour and other fresh-air activities. Residents who enjoy walking in the park, and want to have some company, can join our outdoor walking group which will be gathering in the courtyard every Tuesday and Thursday at 8:45am. They'll have fun pairing cardio and conversation as they walk the paths in Warwick Park. Manor staff will also be getting their steps in as they compete in a walking challenge from April 7 – May 19, against other Liberty communities. Be sure to cheer them on if you see them walking in the park during their lunch break!

Last month, we had an Electric Vehicle (EV) charger installed in our parking lot. We are the first Liberty community to get one, and we are excited to be able to offer the convenience of charging on-site for any residents with electric cars. Once staff are trained on the new charger, we will finalize the EV charging policy and I will post it on Connected Living.

This month we will finalize plans for our dining room and patio refreshment projects. It will be wonderful to have these spaces looking fresh, and, to have new dining areas for all to enjoy!

Wishing you a happy Easter or Passover, and a wonderful month filled with good times, good health and joy!
