

News from THE MANOR

During our annual, week-long, staff vs. residents' tournament, the staff and residents gave it their all.

The staff, residents, and spectators had a great time cheering (and jeering) for the teams.

Congratulations to the **RESIDENTS** who won the week and took back the title. Congratulations to all of the "athletes" and a big thank you to everyone for joining the fun!

DIRECTOR'S CORNER

It's August, which means I have reached another milestone... 25 years of working at The Manor at York Town! I feel so fortunate to have had the opportunity to grow with this wonderful community since its inception, and to be part of the Liberty Lutheran team for the past 8 years. The Manor is truly a great place to live and work!

In addition to celebrating my anniversary this month, I just enjoyed three relaxing weeks of sabbatical. I am so fortunate to work for Liberty Lutheran, who truly cares about the well-being of its employees. Liberty offers a sabbatical leave every 7 years for all full-time staff, to refresh and renew their zest for life and work. In all my years at the Manor, this is the first sabbatical I have taken advantage of, and I enjoyed every minute of it! While checking in with my staff at The Manor regularly, I also enjoyed days at the beach, visiting friends, and spending time with my family. Thank you to my team at The Manor for taking care of everything, and everyone, during my absence. I am so lucky to work with such a fantastic group!

This month, I look forward to collaborating with the designer to plan our new casual dining venue and to refresh our traditional dining room. I will be sure to share our plans with residents and staff as soon as they are available. And, I will be asking for resident input, in the coming months, on the menu and other ideas we have for the new bistro/pub. Construction is expected to start mid-September.

Have a terrific month!

Wendy
