HALLOWEEN HAPPENINGS

We celebrated Halloween with a fun afternoon of costumes, pumpkins, and magic. Congratulations to our favorite pumpkin designers and costume contest winners!

DIRECTOR'S CORNER

November is the month to “Turn back time”. On Saturday, November 1st, be sure to turn your clocks back one hour before you go to bed, so that you wake up to the correct time on Sunday, November 2nd. Don't forget to adjust the time on your watch too, and if you have an older car, make sure you adjust the clock in there as well (some of the newer cars and watches adjust automatically). There is nothing worse than having to be somewhere on Sunday, and as you're driving there, looking at the clock in your car and thinking you're an hour late!! Yes, unfortunately, I am speaking from experience.

This month we will have two special happy hour events to look forward to. On the 10th, our local legislators will join us to honor our resident Veterans with a special ceremony; and, on the 13th residents' will enjoy a toe-tapping time with the Tony D band.

On November 12, at our quarterly Resident Q&A meeting we will share the beautiful design plans for our dining room renovation project. We will also go over the preliminary project timeline. If all goes as planned, our two new dining venues will open by the end of February 2026. We are so excited to be able to offer two dining room options for the first time in our community history!

Have a happy Thanksgiving!
