

News from THE MANOR

Happy
New Year

The Great Room was filled with plenty of food, fun, and friends as we celebrated with the Events Committee. We had so much fun with Trivia and a rousing performance by a Barbershop Quartet. What a great way to ring in the New Year!

DIRECTOR'S CORNER

WENDY PETRO,
EXECUTIVE DIRECTOR

Did you know that we had 13 days of snow in Jamison in January? I'm sure our Maintenance team, Bill, Bryan, and Mike, are very aware! I can't thank them enough for all of their hard work clearing the ice and snow and keeping us safe at The Manor. Let's hope February is warmer and has less precipitation!

While the snow was falling outside, things were changing quickly inside as well. The dining room refreshment project started, which meant we had to find another location to offer lunch and dinner dining to our residents. Our dining team did a great job transforming the Great Room into a temporary dining room and continued to provide exceptional service to our residents and guests. That goes for Community Life as well. Robyn, John, and the team juggled event times and spaces to ensure activities, entertainment and exercise classes continued, even when the Great Room wasn't available. Thank you to all of the staff for their hard work in keeping things running smoothly during the construction process. I also want to thank all of our residents for being flexible and "rolling with things" during this time of transition. Operations will continue this way through the month of February, so I truly appreciate everyone's help and patience as we make improvements to the community.

In March, we will open our new dining area, with two restaurants to choose from: *The York Town Grill* and the *Garden View Restaurant*. The York Town Grill will offer "anytime" dining from 12 – 6pm and will serve more casual meals, while the Garden View Restaurant will offer reserved seating from 5 - 6:30pm with a more traditional menu. Look for more information later this month about the timing of our grand opening!

Have a happy Valentine's Day and a warm and healthy month!

Local historian Jodi, presented a memory lane guessing game of famous old slogans, products and jingles of American advertising.

Craft Time

Our crafty residents created colorful canvases to celebrate the upcoming Valentine's holiday.

A big thank you to lead housekeeper Sharon, who lends her time, supplies, and creative talents to guide these festive projects throughout the year!

SNOW DAY

While it was cold and snowy outside, Manor residents were warm and cozy inside! We enjoyed games and an impromptu happy hour with friends.

Food Collection Drive

On Martin Luther King Day, staff and residents worked together to sort and group a variety of greatly needed donations for the Bucks County Food Pantry in Doylestown. Throughout the month, The Manor collected an impressive number of items including cans of soup, cereals, pasta sauces, snacks, and a large variety of other food and hygiene products. A big thank you to everyone who contributed to the drive. The recipients and the Bucks County Housing Group truly appreciate your kindness and generosity.

Bucks County Consumer Protection Director, Michael Bannon presented an informative discussion on avoiding Scams and Fraud. After the discussion, Courtney and Pat from State Rep. Marcell's office, answered individual questions.

Research STUDY

About 20 residents came out to learn more about an upcoming research study conducted by the University of Pennsylvania. PhD student and Project Manager, Sean H., discussed the details of the program that will monitor participants over several months to observe walking trends, daily exercise routines, and overall fall risk. All participants will receive a stipend and be part of a valuable medical research study.

Quarterly Residents' Association Meeting

The Resident Association quarterly meeting was held last month. It was the first meeting of 2026 with our new officers. Thank you to the members for stepping up to volunteer their time and effort, for the benefit of our community.
