

News from THE MANOR

Happy Valentine's Day

This Valentine's Day, many residents & staff sent a small box of chocolate and a friendly greeting to their friends and neighbors; to let them know they were thinking of them this winter.

DIRECTOR'S CORNER

WENDY PETRO,
EXECUTIVE DIRECTOR

This month we are all looking forward to spring weather. I know they say March comes in like a lion and out like a lamb, but I've had enough, and just want warmer weather to arrive and stay. The good news is that daylight savings time starts on Sunday, March 8th. In addition to turning your clocks ahead an hour, this means we will have more daylight hours to enjoy the day and hopefully some outdoor activities.

I am so excited to share the progress we have made on the dining room renovation project. The construction is complete, we are currently conducting the final cleaning, and the furniture, artwork and accessories will be delivered and installed on March 2 and 3. We have planned a "Grand Opening" celebration for our residents on March 5, and the two new restaurants will open for business on Friday, March 6! I want to, again, thank the Manor team for juggling meal service, fitness classes, programs, and events during the construction. I also wish to thank our wonderful residents for their flexibility and understanding during this time. I am sure everyone will be pleased with the outcome...another restaurant and beautiful new décor!

Have a wonderful month, and "Think Spring"!

Happy St. Patrick's Day
