

News from THE MANOR

Twice as Nice!

In March we were excited to host the Grand Opening of our newly renovated dining area which now has TWO fabulous restaurants to better serve our residents.

Our new, *York Town Grill* is open all day with no reservations needed. It's an upscale casual restaurant offering refined à la carte fare, featuring elevated takes on classics like gourmet sandwiches, fresh seasonal salads, and handcrafted burgers.

The *Garden View Restaurant* is open daily for dinner and offers entrée-style dining that blends elevated culinary creations with comforting homestyle favorites, all served in a refined and welcoming environment.

Spring has arrived, bringing longer days, warmer weather, and the perfect opportunity to enjoy time outdoors.

With the sunshine returning, we're excited to begin our outdoor activity season here at The Manor. We'll be delighting in outdoor favorites such as shuffleboard, bocce, outdoor happy hours, and more!

Our Outdoor Walking Group meets in the courtyard every Tuesday and Thursday. Residents gather for light cardio, friendly conversation, and a peaceful walk through Warwick Park.. Our Manor staff will also be out and about as they participate in a Walking Challenge from April 9–24, competing with other Liberty communities.

Last month, we proudly opened our two new restaurants, marking the first time in our community's history that residents can choose between dining venues. The feedback has been wonderful, and we're delighted to see everyone enjoying the new options:

- The York Town Grill offers casual, anytime dining daily from 12 p.m. – 6 p.m.
- The Garden View Restaurant provides a reservation only dinner experience featuring delicious chef prepared entrées.

Wishing you a beautiful month ahead. As you enjoy the spring weather, please remember to stay hydrated and wear sunscreen while spending time outdoors.
