

News from THE MANOR

And the
Winner is...

During our annual, week-long, staff vs. residents' tournament, the staff and residents gave it their all. The staff, residents, and spectators had a great time cheering (and jeering) for the teams. Congratulations to the RESIDENTS who won the week and held on to the title. Congratulations to all of the "athletes" and a big thank you to everyone for joining the fun!

DIRECTOR'S CORNER

WENDY PETRO,
EXECUTIVE DIRECTOR

Last month, our community had the pleasure of welcoming a professional photographer to capture what it truly means to be “living The Manor life.” Residents participated in photo sessions throughout the community, creating images we’ll use in future advertising and marketing.

Who would have thought a photo shoot could be so much fun? Our residents cheered one another on as bocce and shuffleboard photos were taken. Some even changed their wardrobes between sessions, and there was plenty of laughter and camaraderie throughout the day. It was wonderful to see everyone embracing the experience and having such a great time together!

We look forward to sharing the photos of our Manor “models” at a special preview party once we receive them from the photographer. A heartfelt thank-you to everyone who participated and helped make the day such a success!

This month, residents and Future Resident Club members will have the opportunity to rock the night away at Motown at The Manor. Calvin Pressley will perform favorite hits from the 1950s and 60s, providing the perfect soundtrack for singing along, tapping your toes, and dancing under the stars in our beautiful courtyard.

We’ll also be hosting a Tour & Explore event for prospective residents. Our waitlist continues to grow, making it more important than ever to explore retirement living options well before you’re ready to make a move. During the event, we’ll share more about the benefits of planning ahead and becoming familiar with your options. We’ll also introduce guests to the many benefits of joining our Future Residents Club, where they can begin making new friends, participating in activities, and getting acquainted with our community—all before they officially move in.

Wishing everyone a very happy Labor Day and a wonderful month ahead!
